

TRAVEL CAR

Empower Your Business Commute
with Precision, Punctuality, and
Performance

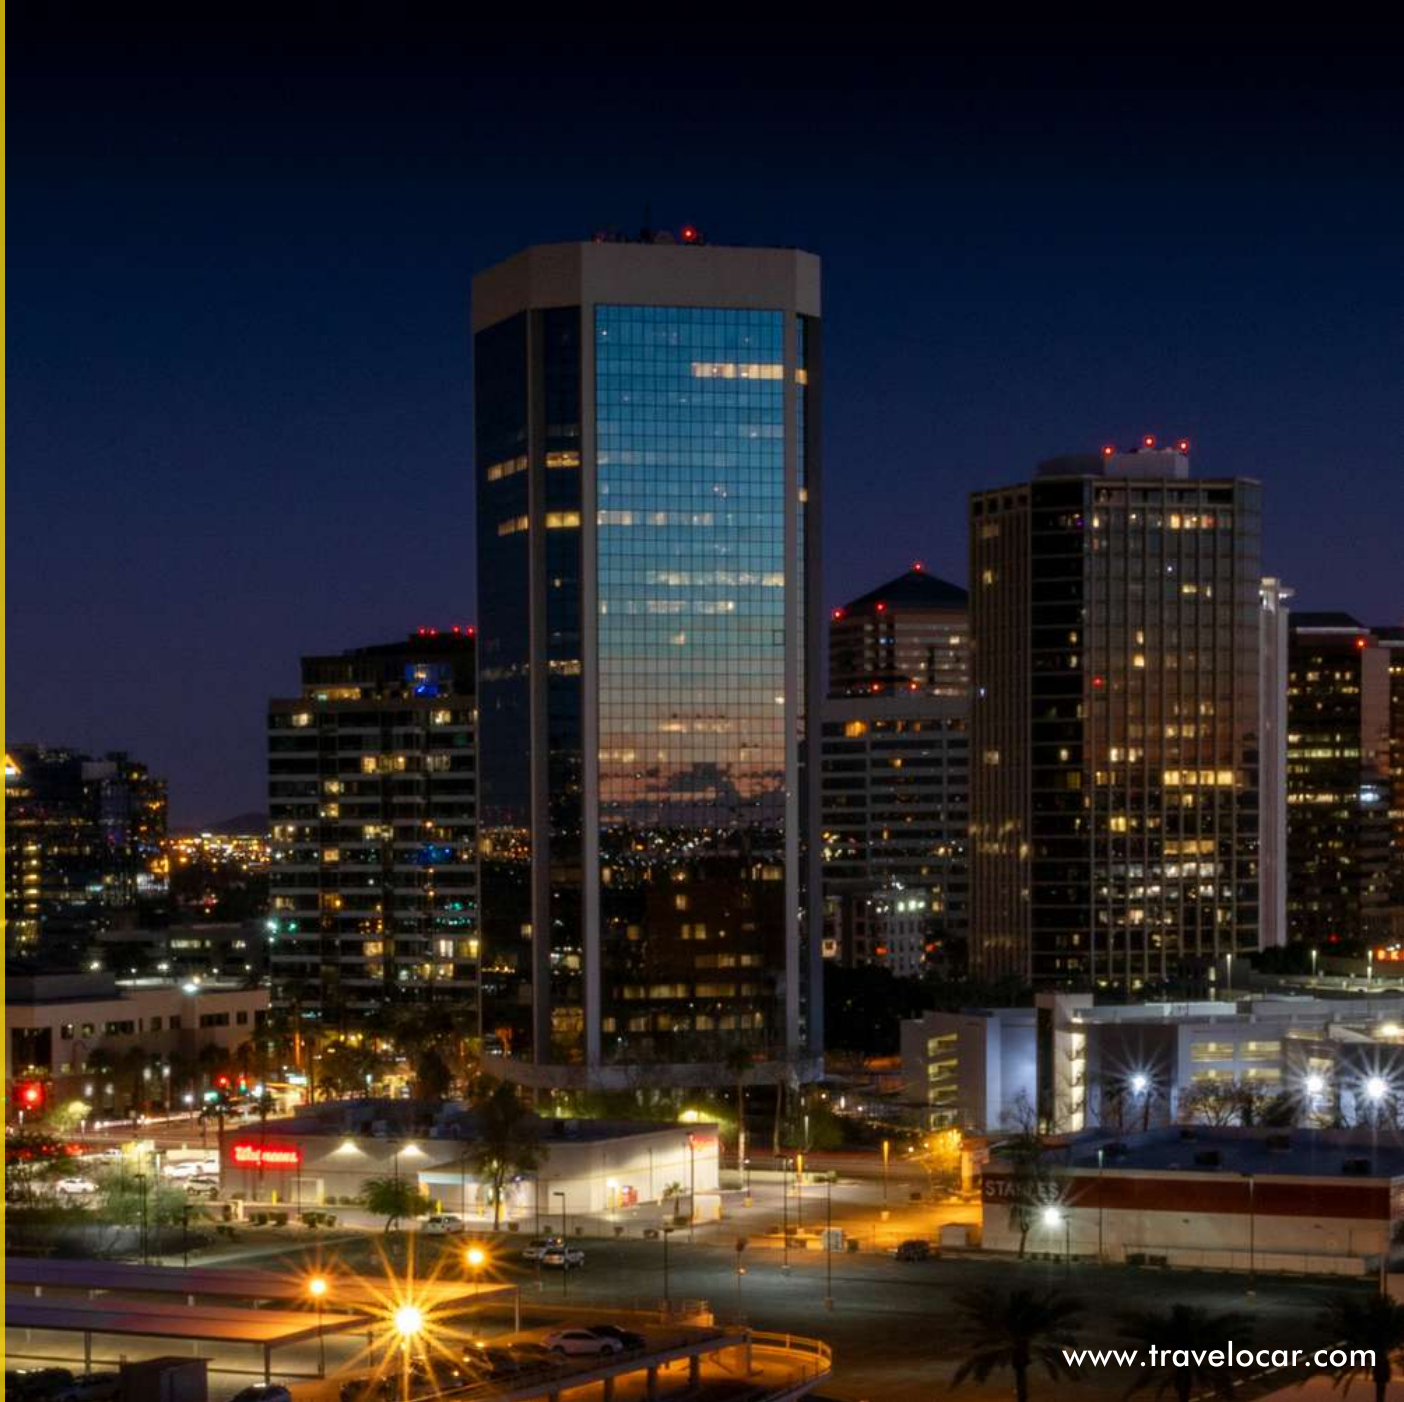

ABOUT US

Travelocar is a leading car rental and cab hire service provider in India, established in 1989 with a mission to offer exceptional travel solutions.

With over 30 years of experience, Travelocar has become a dynamic force in the industry by providing a fusion of comfort, convenience, and reliability.

We have also simplified the corporate car rental booking process through digital and technological automation.

**Reliable, Transparent and
Service-Oriented**

MISSION

To be the premier choice for car rental and cab hire services, setting the highest standards for quality, reliability, and customer satisfaction

VISION

To be the leading car rental and cab hire service provider in India, known for our unwavering commitment to excellence and innovation.

We aim to be the benchmark for the industry, setting new standards for quality and service that others aspire to follow.

ANI

South Asia's Leading Multimedia News Agency

For a country as populous as India, transportation is a critical sector. With a network of over 62 lac kilometers of road, bus and car fleets make up a sizeable chunk of the Indian transportation sector.

With tech-driven features such as live tracking, real-time notifications, online payments, and more, brands like Travelocar are pushing the envelope and simplifying the journeys Indians make across the country.

REPUBLIC NEWS TODAY

With Travelocar, Shaikh focuses on providing his customers with smooth and comfortable journeys. Along with giving them a wide range of options to choose from, he ensures that all his cars are equipped with amenities like cushions.

Business Standard

While cab hire services go back several decades, the advent of digitization has led to the prominence of services like online car rentals and cab bookings.
